"ATTACHMENT A"

I am a Special Agent with Homeland Security Investigations (HSI), and have knowledge of the following facts:

1. On October 6, 2014, HSI Special Agents responded to the Laredo Texas POE Bridge 1. Upon arrival, SAs were advised that CBP Officers working the primary pedestrian inspection lane inspected the luggage of Andres HUERTA-Ruiz during his application for admission into the United States.
2. During the inspection of HUERTA's luggage, CBP Officers discovered aftermarket compartments that appeared to be sewn into the interior liners of two (2) of HUERTA's bags.
3. Further inspection revealed the false compartments to both contain a crystalline substance. Narcotics field test displayed positive results indicating the concealed substance to be crystal methamphetamine.
4. HSI SAs advised HUERTA of his Miranda warnings which he waived. HSI SAs proceeded to interview HUERTA.
5. HUERTA stated to agents during the interview that he had been hired to take the two (2) bags from Mexico City to Houston, Texas. HUERTA was to receive payment of \$1500-\$2000 USD upon delivery of the bags to Houston.
6. HUERTA claimed he was unaware of the exact contents of the bags but suspected the bags to contain marijuana.
7. HUERTA was arrested for violations of Title 21 USC 952, 841 and 846. HUERTA was subsequently booked into the Webb County Jail pending federal magistrate proceedings.
